To: CUPE Local members in BC

Dear Sisters and Brothers:

CUPE BC is pleased to continue to offer a number of scholarships and subsidies to affiliated locals for weeklong schools, including the Fall weeklong school in Parksville.

The small local subsidy and distant local subsidy were created a number of years ago and we hope that locals will take advantage of them. In the past there have been locals that were unable to afford to send members to our schools. These subsidies provide the opportunity to provide activists the tools needed to serve our members in communities throughout BC.

You will find the details of the scholarships and subsidies in this package.

If you have any questions, please call me at our Division office 604-291-9119.

In Solidarity,

Mark Hancock
