

RE-ELECT DAVID ROBERTSON

For CUPE BC Trustee

Dear Members of CUPE BC,

I am excited to announce my decision to seek re-election for the Trustee position at the upcoming CUPE BC Convention and am seeing your support.

I have been a union activist for the last 20 years with experience in Job Evaluation, Joint Labour Relations and bargaining. Since 2008, I have been the Secretary Treasurer of CUPE Local 1767 representing about 650 workers for BC Assessment. I feel that my extensive experience of helping lead a provincial local has assisted me well in this roll. I was also recently elected Trustee for the Kootenay District Council in 2020 and am completing my 1st term as a CUPE BC Trustee. I have an accounting diploma from University College of the Cariboo (now Thompson Rivers University) which has provided me a good base to help understand financial concepts within the rolls that I serve.

It has been an honour to serve as a CUPE BC Trustee and I am asking for your support so that I can continue to work with fellow Trustees to maintain and improve the accountability and transparency of CUPE BC.

In Solidarity,

A handwritten signature in black ink, appearing to read "David Robertson".

David Robertson, CUPE 1767
