

CUPE BC 2024 CONVENTION ENVIRONMENTAL TIPS

In the spirit of being more eco-friendly at our conventions, the CUPE BC Environment & Climate Justice Committee would like to offer the following tips for you:

- ✿ Bring your own water bottle (aluminum or stainless-steel)
- ✿ Bring your own reusable bag
- ✿ Bring your own reusable utensils
- ✿ Shop local
- ✿ Walk, cycle, or use public transportation
- ✿ Join a carpool or volunteer to carpool by emailing events@cupe.bc.ca
- ✿ Consider restaurant options within walking distance in lieu of driving
- ✿ Reduce paper waste and attend Convention with your preferred device to view convention documents electronically
- ✿ Place all waste in designated receptacles, with a view to minimizing non-recyclables
- ✿ Keep hotel room lights, AC, and/or heat to a minimum. Ensure all lights and water taps are turned off when leaving.
- ✿ Use social media to promote eco-friendly actions and initiatives during and outside of Convention

Pedestrian & Bike Routes

Please visit the [Translink Cycling Guide](#) and/or the [City of Vancouver](#) websites to view maps of pedestrian and bike routes in the Lower Mainland. For parking information, review these [city parking](#) options.

Shareable bikes: Station 0200 (Cardero & Bayshore) on the [Mobi website](#) directly faces the Convention venue.
